speaking of abraham it is not the simple tale of a character of antiquity who was famous abraham that the bible presents as the father of a people that is the jews because if this is true in that it cannot be disputed according to what the bible says it is also true that abraham is not only the acknowledged father of the jews but it is also the father of faith as the new testament recognizes it as such the purpose of our intervention is not only to talk about this but mainly highlight the characteristics that abraham had that from the point of view of faith made him famous not only among the jews but also in the midst of christianity in fact when christianity speaks of abraham and holds him up for example of faith it does so primarily on the basis of the characteristics that showed in believing in god and in having faith in him in all that which god said and the promises he promised these are the essential elements of antiquity proved that this man in his time which made him famous in this area of life christianity do not hesitate to call the christian character supported especially by the testimony that the same jesus he made when talking about him and pointed for example model to the religious jews who constantly challenged
